WHY INDIANA HOSA?

Indiana HOSA is an organization dedicated to supporting health science and technical education, encouraging student growth, and cultivating a successful future of health care. As a member, alumni or advisor, you are also invited to attend leadership conferences and academies throughout the year where the focus is on learning key leadership skills through hands-on activities and workshops. Our members have the opportunity to showcase their skills, learned inside and outside of the classroom, through competitive events during our State Leadership Conference each year where the top finalists are recognized on stage and compete on behalf of Indiana HOSA at the International Leadership Conference hosted by National HOSA. Indiana HOSA is full of people going the extra mile to make a difference in the health care field.
