THE FUTURE OF INDIANA & THE FUTURE OF HEALTH CARE

We look forward to hearing from you

OUR STUDENTS ARE CHAMPIONS

Our members show they have what it takes to become champions each year at Indiana HOSA's State Leadership Conference. Members have the ability to compete in over 55 competitive events that focus on a particular set of health care knowledge and skill. The top finalists in each event are invited to compete at the International Leadership Conference.

ABOUT US

Indiana HOSA is an organization dedicated to supporting health science and technical education, encouraging student growth, and cultivating a successful future of health care.

Our Mission

The mission of HOSA is to enhance the delivery of compassionate, quality health care by providing opportunities for knowledge, skill and leadership development of all health science education students, therefore, helping the student meet the needs of the health care community.

HOSA is 100% Health Care

HOSA is the only national student organization that exclusively serves middle school, secondary, and post-secondary students in pursuit of a career in the health professions. As an organization, HOSA works to create unity in the field of health care by empowering future health professionals.

Why HOSA?

Educational Opportunities

Members, advisors and alumni have the opportunity to further their health care knowledge through skill-building workshops, educational symposiums, and extensive online educational materials and resources.

Networking Experiences

From state and national conferences to nationally renowned internships, members and alumni have the ability to meet, connect with, and learn from professionals in a variety of health related fields while furthering their career goals.

Leadership Training

Members and alumni are also invited to attend leadership conferences and academies throughout the year where they will focus on learning key leadership skills through hands-on activities and workshops. Members have the unique opportunity to showcase their skills, learned inside and outside of the classroom, through competitive events during our State Leadership Conference each year.

Recognition

Our members, alumni, and advisors are often recognized and awarded for their service work, success in their field, excellence in competition and their health science skills.

We Strive to:

- promote physical, mental and social well being of all members
- develop effective leadership qualities and skill, character, and responsible citizenship traits
- develop an understanding of the importance in interacting and cooperating with other students and organizations
- develop an understanding of current health care issues, environmental concerns, and survival needs of the community, the nation and the world.
- support Health Science Education instructional objectives
